Amy Miller
Secretary Treasurer

As you know, I resigned last year from the Sec/Treas position for personal reasons. Unfortunately, no one has shown an interest in taking over this position. So, for now, until God brings me a suitable replacement, I will do my best to continue with these duties. If you are interested and would like to discuss the Sec/Treas position in detail or if you are interested in becoming another officer of the OHPA, please contact me.

As to membership, you can still mail your application to the same PO Box 475 in Hilliard as nothing has changed; however, if you would like to make my life a little easier, please consider renewing your membership online through the NHPA's eShoe website.

We currently have 214 members. Last year, our final membership was 305 and in 2022 we had 298 members. I'm hopeful Ohio can once again increase its membership.

We all need to keep Gary Roberts and his family in our thoughts and prayers as he deals with his health concerns.

Darryl Miller
2nd Vice President

Another winter season is coming to a close and now it's time to get geared up for the summer.

This year we will have at least one major change in the executive council as our great president Gary Roberts is having to step down due to health reasons. As someone who has seen cancer first hand and the effects that it has on a person as well as their family please join me in praying that God's peace and comfort would be with Gary and his family as they go through this difficult time.

Please continue to support our clubs and pitch in as many tournaments as you can. Hope to see you on the courts somewhere this summer.
